Membership in the Bradford Farms Homeowner's Association consists of all property owners in the Bradford Farms Subdivision. In order for the association to function properly, it is necessary for all property owners to become involved. It is important that everyone participates in the actual operations of the Association, and abides by the Association's Covenants and By-Laws, Conditions and Restrictions which are posted on our website at www.bradfordfarms.com.

The Homeowner's Association Board of Directors has five (5) vacancies to be filled for 2015 to 2017. Outgoing members are Paul Hurst, Dick Clem, Ed Ditto, Kenny Jobin, and Terry Penner. The current Board is soliciting community members to volunteer for the Board of Directors and Committees. To assist you in choosing an area of involvement, some of the responsibilities of the Board and each Committee are provided below.

Board of Directors – The Board is comprised of members of the Association elected by the membership at the Annual General Membership Meeting. Each Director serves on the Board for two years. In accordance with the By-Laws, the Board must meet four times each year, at least once each quarter. The usual schedule for Board meetings is one regular meeting each month during the winter and every other month in the summer on the third Tuesday at 7:00 pm at the Madison Assembly of God church.

Duties of the Board include:

- Create a budget
- Authorize expenditures
- Supervise committees
- Participate on committees
- Attempt to resolve members' complaints

Architectural Control Committee – **We need helpers.** The Committee Chairperson is appointed by the Board. The Committee is to insure the community maintains a pleasant appearance, and that buildings and additions do not detract from surrounding areas, but we need for you to volunteer. The Architectural Control Committee has exclusive jurisdiction over modifications, additions and alterations made on or to existing Lots or structures. The committee also promulgates detailed standards and procedures governing its areas of responsibility and practices.

Landscape & Maintenance Committee – We have a Chairperson, but need more volunteers.

The Committee Chairperson is appointed by the Board to maintain all of the common property owned by the Association. Our present Chairperson will chair one more year, but he needs helpers in keeping the areas clean. Common areas include the area around the ponds, front entrance and main drive. The committee's most significant function keeping our commons clean. Other duties include conducting "Community Pride" days during the year.

Welcome Committee - We have a Chairperson, but need more volunteers. The Committee Chairperson is appointed by the Board. She is willing to chair for one more year but we need active members to identify houses for sale or rent and insure that new occupants are welcomed to the community. The Chairperson also insures that the realtor involved with the house is aware of the restrictive covenants with mandatory membership in the Homeowner's Association that includes a yearly fee.
